THE ART INSTITUTE OF CHICAGO was incorporated

May 24, 1879, for the "founding and maintenance of schools of art and design, the formation and exhibition of collections of objects of art, and the cultivation and extension of the arts of design by any appropriate means." The Museum building upon the Lake Front, first occupied in 1893, is open to the public every week day from 9 to 5, Sundays from 1 to 5. Admission is free to members and their families at all times, and free to all upon Wednesdays, Saturdays, and Sundays.

The Art School, in the same building, includes departments of Drawing, Painting, Sculpture, Illustration, Decorative Designing, Normal instruction, and Architecture.

All friends of the Art Institute are invited to become members. Annual Members pay a fee of ten dollars a year. Life Members pay one hundred dollars and are thenceforth exempt from dues. Governing Members pay one hundred dollars upon election and twenty-five dollars a year thereafter. Upon the payment of four hundred dollars Governing Members become Governing Life Members and are thenceforth exempt from dues. All receipts from life memberships are invested and the income only expended.

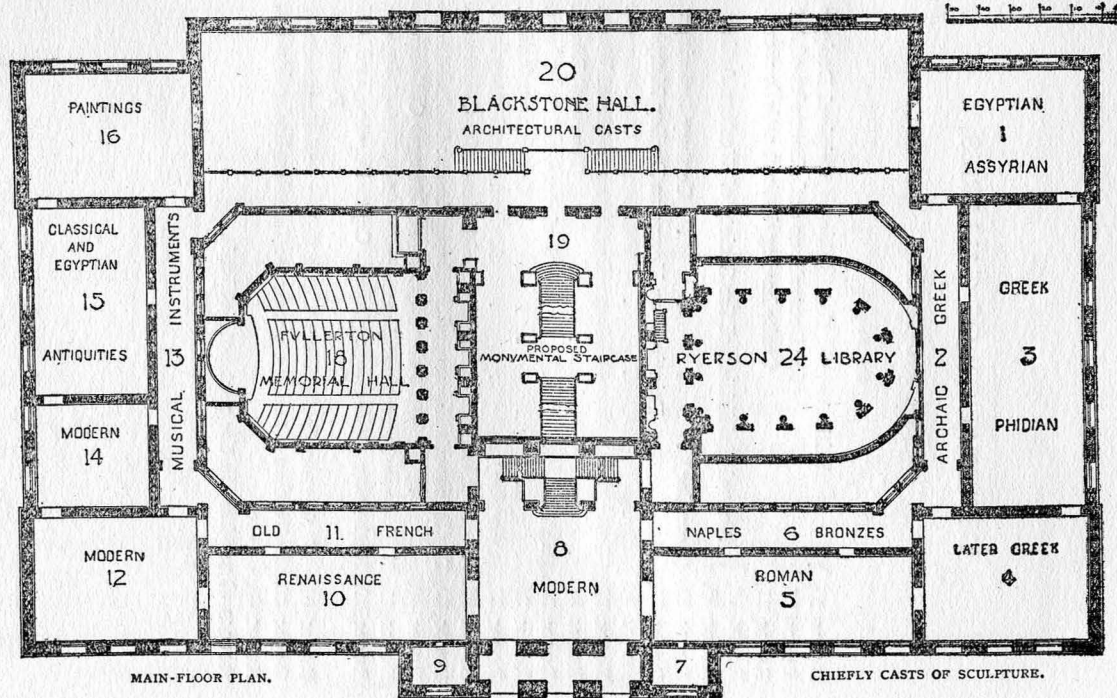

All members are entitled, with their families and visiting friends, to admission to all exhibitions, receptions, public lectures, and entertainments given by the Art Institute, and to the use of the reference library upon art.
