The Wadsworth, Howland & Co.
INCORPORATED
Superior Moist Water Colors

In Boxes, Half Pans and
Tubes for School use.

THIS line of colors is designed for the use of pupils in public schools, manual training schools, etc. They are made from the best possible pigments, ground very fine, and put up at popular prices. They flow readily from the brush, and very smooth and even washes can be made from them. They are brilliant and permanent, and have been adopted by the school boards throughout New England. For sample cards showing tints and prices address
